

Memorandum of Understanding for Scientific cooperation

between the

Khazar University

and the

**Georgian National Academy of
Sciences**

Showing the desire to promote and develop scientific cooperation between Azerbaijani and Georgian scientists, Khazar University and the Georgian National Academy of Sciences agreed to:

- encourage joint research programmes and promote cooperative research focusing on involvement of young scientists;
- exchange scientists for carrying out joint research work, getting acquainted with activities of their foreign colleagues, delivering lectures, etc.;
- organize joint seminars, workshops, symposia on modern scientific issues of mutual interest;
- exchange publications, scientific material and research information, which are available for such circulation;
- provide such access to each other's laboratories, research facilities and libraries as may be necessary to fulfill the spirit and intent of the above purposes.

Each proposal for scientific visit or joint programme will be discussed separately subject to availability of resources.

The present Memorandum is concluded in duplicate in the English and Russian languages for a period of 5 years and will come into force on the day of its signature. It will be considered continued for a period of next 5 years in case that neither party terminates it six months before this term expires.

Signed on 17 December 2014 in Tbilisi, Georgia

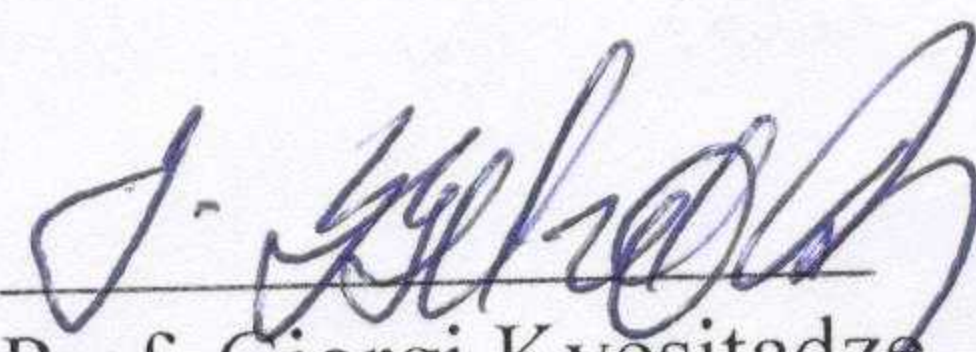

on 17 December 2014 in Baku, Republic of Azerbaijan
